Back problems and stiff muscles at the office? Working with a laptop device especially might be a trigger. Our notebook stand can provide relief: bring your notebook to the ideal height for working and make your everyday tasks a lot more ergonomic in the process.

Stand function

Stand function for easy positioning of the device

Adjustable angle of tilt

Vertical angle of tilt can be flexibly adjusted, ideal for ergonomic working on the laptop while seated and standing

Non-slip rubber pads

Non-slip rubber pads for a stable position also protect the resting surface from scratches

Particularly lightweight

Mobile and flexible: the portable laptop stand is extremely light and so is even easier to transport

Practical storage bag

For storage and easy transport: the simple pouch with drawstring protects the notebook stand from scratches, dust, etc.
