Kensington K75491DE

Model: K75491DE

Manufacturer: KENSINGTON

EAN: 5028252643580

Product Code: 1490131

R1,884

For professionals wanting to reduce the fatigue associated with spending long hours typing each day, the Pro Fit® Ergo KB675 EQ TKL Rechargeable Keyboard supports all-day comfort and productivity with style. The sculpted ergonomic design and curved key layout promotes proper hand and wrist posture, accommodating the natural contour of your hands to provide a more comfortable and productive typing experience. Performance-enhancing features include multiple connectivity options, government-grade encryption security, universal compatibility, and a long-lasting rechargeable battery. Complementing a modern workspace, the Pro Fit® Ergo KB675 EQ TKL Rechargeable Keyboard is an ideal choice for professionals seeking to elevate their typing experience with style, comfort, and performance.

Ergonomic Design

The thoughtfully designed compact curved key layout, built-in wrist pad, and front keyboard legs support optimal hand and wrist positioning for all-day ergonomic comfort and productivity.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Multiple Connection Options

Supports up to three devices—two via Bluetooth® connections and one via the 2.4GHz USB receiver with 128-bit AES government-grade encryption security for a reliable connection up to 10m away. Windows and macOS compatible.

Swift Pair Technology

Enhanced Bluetooth® connection technology designed to reduce pairing hassles and simplify connections for Windows devices.

Productivity Enhancing Keys and Lights

Video conferencing keys support efficient meeting transitions. Vibrant RGB indicators allow you to easily monitor your connection status, caps lock, and battery life.

Long-Lasting Power

The built-in 500mAh rechargeable battery includes a convenient USB-C® charging port and cable for uninterrupted productivity.

Customizable Keys

Customize your experience by programming keys, creating macros, adjusting key mappings, managing profiles, and more with the optional Kensington Konnect™ software.

Sustainability Attribute

The plastic in this product contains 43% post-consumer recycled (PCR) content.
