Model: 60947

Manufacturer: CELLULARLINE

EAN: 8018080487941

Product Code: 1490271

R1,066

Book cases adapt perfectly to the shape of your phone, so they protect its back, edges and display without interfering with access to buttons and connectors. The side magnetic fastening helps keep the flap firmly closed. The card-holder slot is specifically designed to ensure cards can be taken out very easily (Easy Card Remove).

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
