The video bar that slots into small meeting rooms

This outstanding video bar enables you to create a simple videoconferencing set up with a touchscreen, without the need for a touch controller.

The small room video bar. For meetings your way.

See more. Hear more. Include more.

From huddle rooms to small meeting rooms, PanaCast 40 VBS bar only can maximise every small meeting space. Its unique 180° field-of-view ensures everyone is seen and included – even those close to the screen, in the corner or sitting against the wall. No distortion. No blind spots. Just a 4K

panoramic view of every in-room participant and a 4X digital zoom that captures the entire meeting space.

With outstanding audio, every voice is heard too.

- An array of beamforming, noise-cancelling microphones
- An impressive speaker
- Aux-Out for assistive listening devices

AI-powered features. More natural conversations.

There’s nothing quite like being face-to-face. But with its cutting-edge AI-powered video features, PanaCast 40 VBS bar only comes close.

Designed for more natural, productive hybrid meetings, it offers multiple views, tracks who’s talking, adjusts views, and brings speakers into focus – so remote participants feel just as present as those in the room.

From box to first meeting under minutes

Unique packaging designed for streamlined installation, with labelled windows enabling provisioning

Simply fix the integrated hinge to the wall or attach it to a VESA mount, table stand or tripod.

Clutter-free cable management for a no-fuss, clean with flexible deployment options.
