The equip high-performance connectivity with the 2-in-1 USB 3.2 Gen 2x2 C to C/A Cable, designed for maximum versatility and speed. This premium-grade 3.0-meter cable supports blazing-fast data transfer rates up to 20Gbps, ideal for transferring large files, 4K media, and fast backups. With built-in support for Power Delivery (PD) up to 100W, it ensures rapid charging for laptops, tablets, and smartphones, meeting the power demands of today's high-performance devices.

The 2-in-1 reversible design combines USB-C and USB-A connectors into one cable, allowing seamless connection between legacy and modern devices. Whether you're connecting to a USB-C port or a standard USB-A port, this cable adapts instantly without additional adapters. It also supports ultra-high-definition 4K video output at 60Hz, making it perfect for presentations, video streaming, or dual-screen setups.
