Power Wherever You Are

Long journeys, weekends away, or a busy day out — the Charge ‘n’ Go Two Cable Power Bank ensures your tech is always ready when you need it. With its 5,000mAh battery, it delivers dependable backup power for phones, tablets, earphones, and other small devices. Slim and portable, it slips neatly into a pocket or bag, while the integrated dual USB-C cables mean you’ll always have the right connection at hand. Compact yet durable, this power bank is built for everyday use and keeps you powered wherever your plans take you.

Wireless Charging, Simplified

Say goodbye to cable clutter and enjoy smooth, cable-free charging. The Charge ‘n’ Go Power Bank includes MagSafe-compatible magnetic alignment for iPhones, delivering up to 15W for smartphones*, 5W for AirPods™, and 2.5W for Apple Watch™. Android users can take advantage of Qi wireless charging for the same effortless experience. With the integrated kickstand, you can watch, scroll, or stream while your phone charges wirelessly, making it easier than ever to stay connected without missing a beat.

All-in-One Convenience

Designed with versatility in mind, this power bank has everything built in. Two integrated USB-C cables handle fast charging with ease: USB-C2 supports up to 20W and can charge or recharge the power bank itself, while USB-C3 offers up to 12W output for smaller devices. Alongside a 20W USB-C port, you can power multiple devices at once without reaching for extra accessories. Compact, practical, and highly efficient — the Charge ‘n’ Go keeps your charging setup simple and streamlined.

*Charging power varies: iPhone up to 7.5W, Android phones up to 15W, depending on device protocols.

Apple Watch™ and AirPod™ is a trademark of Apple Inc.
