Microconnect MC-C13C14LOCK-2MW not categorized

Model: MC-C13C14LOCK-2MW

Manufacturer: MICROCONNECT

EAN: 5715328084421

Product Code: 1492000

R1,142

The MicroConnect MC-C13C14LOCK-0.5MB IEC Lock power cord provides a secure and reliable power connection for your critical devices. This 0.5-meter cable features IEC Lock connectors on both the C13 and C14 ends, preventing accidental disconnections that can lead to data loss or system downtime. Designed for professional environments, this power cable ensures a stable power supply for servers, computers, and other equipment. MicroConnect's commitment to premium quality and innovative connectivity solutions makes this locking power cord an essential component for maintaining operational stability and preventing costly interruptions. Benefit from enhanced security and peace of mind with this expertly crafted power cable, designed to meet the highest European quality standards.
