

Lenovo 4X91U92142 DisplayPort cable 1.8 m Black

Model: 4X91U92142

Manufacturer: LENOVO

EAN: 195892141617

Product Code: 1492379

R849

DisplayPort is a next-generation technology that delivers high bandwidth, pure digital audio video signals from your PC to your display. Lenovo DisplayPort to DisplayPort 1.4 cable 1.8m conforms to DisplayPort 1.4 specification, and offers a royalty free full digital audio video support in the same cable with 1.8m (70.8in) length and 0.2kg (0.44lb) weight. Supporting a maximum bandwidth of 32.4 Gbps, Lenovo DisplayPort to DisplayPort 1.4 cable 1.8m enables support for next generation multimedia applications with superior fidelity and 3D support, higher resolution of up to 8K 60Hz displays, if devices support DSC.
