Chroma for Samsung Galaxy A27 is the Cellularline case made of soft TPU with a soft touch matte finish, designed to protect your smartphone with style and practicality. The structure fits perfectly around the device, protecting edges and buttons without changing its design, while the soft microfiber inner lining helps preserve the phone from scratches and dust. Slim, lightweight and pleasant to the touch, it ensures a secure and comfortable grip during everyday use. The black color gives an essential and elegant look, perfect for every occasion.
