Drop it like it's hot: 10 times in the test! The mobile phone case is made for the most extreme conditions - drop-proof up to a height of 3.5 m, tested and certified to military standard MIL-STD-810Hw

Scratch protection deluxe

Scratch-resistant with 4H hardness rating: tough, strong surface finish protects against scratches and abrasions from anything in your trouser pocket, handbag or jacket pocket

Black colour gradient

All black everything: this little black number is now also available for your mobile phone - the mobile phone case with the transparent colour gradient in black for the classic black look

Camera protection through raised edges

Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos

Edge protection for the display

Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected

Custom-fit

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

Protected side buttons

A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Anti-slip surface

Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the mobile phone case

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
