R877

Crank up the volume on quality sound with warmth, clarity and an air of realism unparalleled by any other in-ear headset. Handle your calls, music, volume and more on your Android™ smartphone with just one touch to the SmartKey™ feature, which also makes it possible to control select apps and services. Escape the cable chaos thanks to a unique flat, tangle-free cord design that allows for easy storage and even easier access. Punch up your style with a pop of color provided by the included extra earbuds in either black and lime or white and orange. Select from 4 sizes to find the perfect fitting earbud to eliminate ear fatigue with a more customized fit.

For music lovers

With Smart Headset, enjoy music with warmth, clarity, air and realism never before heard through any other in-ear headset.

Always compatible

The Smart Headset is built to bring the best sounds, the best apps and the best entertainment experience to Sony Mobile Xperia™ smartphones and other compatible Android™ smartphones.

Do more with SmartKey control

Handle all your calls and music with just one touch. The SmartKey™ feature allows you to control selected apps and services in your phone. It's also a remote control. Play, stop, fast forward, rewind, control volume and calls.

Tangle-free technology

Escape the cable chaos. Smart Headset features unique flat, tangle-free cable design for easy storage and for even easier access. Concentrate on your entertainment, not your un-knotting skills.
