Bosch 2 608 600 549 angle grinder accessory Cutting disc

Model: 2608600549

Manufacturer: BOSCH

EAN: 3165140219624

Product Code: 1493472

R866

PRO Stainless Steel and Metal for Long Life Cutting Stainless Steel and Metal

Looking for a long-lasting cutting disc to cut stainless steel and metal? Try the PRO Stainless Steel and Metal. We made it with premium abrasive grains so that you can enjoy its performance for a long time.

The PRO Stainless Steel and Metal Bonded Cutting Disc uses premium aluminium oxide grains to make sure you get fast and effective cuts in stainless steel and metal. We combined the grains with functional fillers and embedded them in a phenol resin matrix for strength, resistance to heat and stable performance. We reinforced the disc with high-quality fibreglass to ensure it's safer to use.

Plus, we made it iron free. This means you don’t need to worry about rust on your workpiece, if you cut stainless steel only.

- Appropriate for hand-held angle grinders.
- Maximum circumferential speed: 80 m/s (depending on rpm and disc diameter).
- Fe/S/Cl < 0.1%.
- The thin Rapido disc offers many advantages: fast and clean cutting with little exertion of force, very accurate, less noise and dust, and no blue discolouration or burr formation.
