

3M Black Privacy Filter for Notebooks PF15.6W

Model: PF156W

Manufacturer: 3M

EAN: 5712505107904

Product Code: 1494589

R2,049

- PF15.6W fits widescreen notebook computers with a diagonally measured 15.6" viewing screen
- Actual filter dimensions are 7.639" high x 13.572" wide
- This filter is designed for widescreen Notebook computers with screens that appear more rectangular than square
- Helps keep confidential and private information safe
- Utilizes 3M's microlouver privacy technology so only persons directly in front of the monitor can see the image on screen
- Passersby see only a dark screen making this filter excellent for high traffic areas
- Provides more consistent quality and uniform appearance, thus reducing visual distractions
- Users experience clearer, crisper images on-screen than with competitive filters
- Reversible for either glossy or matte screen finish; reduces glare when used with the matte side facing you
- Helps to protect your LCD panel from scratches and abrasions

- Easy on easy off attachment system
