WMF KITCHENminis 0416490011 0.8 L Tabletop blender 400 W Black, Stainless steel, Transparent

Model: 0416490011

Manufacturer: WMF

EAN: 4211129128131

Product Code: 1494632

R2,456

As a German brand WMF is known for its versatile stylish range of products and reliability in quality and finish. For over 160 years WMF has been making cooking, dining and drinking a real experience whilst maintaining professional standards and progressing manufacturing technologies.

The smallest Cromargan® blender has an impressively powerful motor: 400 W, 20,000 rpm, 241 km/h. Five speed levels and a pulsation mode are available to suit your requirements. Thanks to Perfect Cut, the blender is equipped with a 6-wing stainless steel blade. The removable 0.8 litre glass jug and its practical lid, as well as the refilling opening and integrated measuring mug make it easier

to use. The rubber base ensures safe placement.

WMF is presenting the first generation of WMF KITCHENminis®. The WMF KITCHENminis® breakfast series made of Cromargan® stainless steel – consisting of the AromaOne filter coffee machine with one-cup function, a 0.8 l kettle, a one-slice toaster, a two-egg cooker and a 0.8 litre compact mixer – was developed with a view to making substantial space savings, reducing the use of valuable resources and saving on energy.
