A few easy adjustments to your workstation can make a huge difference to your daily routine. Moving your head to view your screen or to read documents requires you to tilt and turn your neck and upper back. Positioning your screen incorrectly can put serious strain on your eyes, neck and shoulders which is why this Fellowes Designer Suites monitor stand is a necessity for your workspace as it allows you to place your monitor at a more ergonomically-correct viewing position to suit you. This adjustable monitor stand can support large CRT or TFT monitors with a maximum weight of 18 kg and its space saving design allows you to stow your business essentials underneath the monitor riser for in-office use or at home to help keep your workspace nice and tidy. Accommodate the Ideal viewing angle that best suits your needs, the Designer Suites computer stand features three height adjustable settings (Height Adjustments: 11/13/15cm) allowing you to find a comfortable screen position accustomed to you. This monitor riser has been tested by FIRA International Ltd to comply with the ergonomic requirements set out in European Health and Safety Legislation: EN ISO 9241-5.
