Versatile, cordless all-rounder, with 180° light band for optimal illumination

This versatile, oscillating, 18 V multifunction tool is the perfect choice to tackle a wide range of DIY projects. With a powerful motor and electronic speed preselection, the AdvancedMulti 18 enables speeds to be matched to the needs of each job and material. For optimal visibility, a 180° light band provides consistent illumination. Quick and easy, 3-second accessory changes are possible thanks to Bosch AutoClic. A large range of optional Starlock accessories covers a multitude of applications. Cut, saw, sand, scrape, route, and polish on wood, metal, plastic, plasterboard, grout, and mortar. The tool belongs to the POWER FOR ALL ALLIANCE. One battery can operate a large variety of tools from different brands.
