Product Code: 1496418

# **R1,479**

This Club 3D CAC-1527 USB Type-C cable is a powerful cable which enables you to fast charge two Type-C devices simultaneously. When one device is connected, the power delivery will be max 100W with PPS support. When two devices are connected, max 98W in total with NO PPS support ! The CAC-1527 has a build-in Protocol + Power Management chipset for supporting the various protocols. Because of the PPS protocol your batteries will be charged in such a manner that it will increase the life span of your battery.

PPS is ONLY supported when 1 device is connected !
