Print a wide range of label types and colours directly from your smartphone or tablet with the DYMO LetraTag 200B Bluetooth Label Printer. With the intuitive LetraTag Connect mobile app, you’ll be able to create labels and easily organise your home and home office, straight from your preferred device! The LetraTag 200B label maker slips neatly into your bag and is ready to go in seconds, thanks to its automatic Bluetooth wireless technology connection. This DYMO label printer works with authentic LetraTag labels, with an external cassette made from 100% recycled materials. The paper labels are also FSC-certified. Ideal for all of your labelling needs, from kitchen, bathroom, kids room, and student dorm room storage, to home office and craft organisation—you can even keep track of kids' clothing and backpacks with LetraTag iron-on fabric labels. This order includes 1 LetraTag white paper label tape.
DISCLAIMER: *42% lighter, compared to LetraTag 100T and 100H average weight **Requires 4 AA batteries not included with original purchase
