Secure Everything in its Place

You and all your stuff are going places, organized and stylized. First, pack up your peace of mind in this extra secure backpack, featuring a lockable zipper[1] and rain-repellant materials. Then slip your laptop in its padded pocket, zip up all your accessories with room to spare, and carry the whole day in stride.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
