Neomounts WL30-265BL1 TV mount wall 43-85" Samsung screens - ultra-flat

Model: WL30-265BL1

Manufacturer: NEOMOUNTS

EAN: 8717371443900

Product Code: 1498291

R1,791

The Neomounts WL30-265BL1 offers the ideal ultra-slim solution for various Samsung screens* up to 85", including the Crystal UHD professional signage displays. This mount allows your screen to be installed incredibly close to the wall, leaving just 3-7,5 mm space depending on the TV model. Your TV will look like a painting on the wall. Level adjustment is available for the perfect installation.

The WL30-265BL1 is suitable for screens that meet VESA hole pattern 150x100 to 1200x800 mm and supports a maximum weight of 60kg. Strong magnetic contacts ensure solid placement of the screen while the convenient kickstand option allows easy access to cables and connectors behind the screen. Anti-skid pads ensure safe and scratch-free installation of the screen to the mount.
