Dual Charging Versatility

Experience the convenience of 15W magnetic wireless charging and 20W USB-C® PD fast charging. Compatible with MagSafe for iPhones and versatile enough for Android devices*, this power bank meets the demands of modern lifestyles. Whether camping, commuting, or working remotely, it ensures quick, efficient charging.

Hands-Free Convenience

The built-in foldable stand allows you to position your device in portrait or landscape mode while charging. Whether following a recipe, watching a film, or taking video calls, enjoy hands-free functionality that adapts to your needs.
