The GBC 480HS A3 Laminator provides a reliable and efficient solution for high volume laminating needs. Designed for professional environments, this high-speed laminating machine combines performance with ease of use. Boost productivity and reduce lamination time by 33% using GBC high-speed pouches. With a rapid 1-minute warm-up time, it laminates a 75-micron A4 sheet in just 23 seconds, making it ideal for fast-paced office tasks. The intuitive control panel offers four pouch thickness settings from 75 to 175 microns, providing flexibility for various document types. The panel also features a manual reverse button and an auto-reverse function with active jam sensing for seamless pouch removal. Additionally, the SMART status LED system provides clear visual and audible cues: red during warm-up, blue with a sound when ready, and an automatic shut-off after 15 minutes of inactivity to conserve energy. The SMART entry guide LEDs ensure straight pouch alignment to prevent jams, making every lamination perfect. Protect and preserve your important documents with speed and a smooth, professional finish every time. Black and red colour.
