Kensington MagPro Elite Magnetic Privacy Screen Filter for Surface Pro Copilot+ PC 12"

Model: K51721WW

Manufacturer: KENSINGTON

EAN: 085896517214

Product Code: 1499218

R2,760

The MagPro™ Elite Magnetic Privacy Screen Filter for Surface Pro Copilot+ PC 12 is designed to offer excellent privacy and protection for users on the go, all without the need for any adhesives. Magnetic attachment does away with the need for adhesives, allowing the privacy screen to be easily attached and detached. The screen limits the viewing angle to ±30°, effectively safeguarding sensitive information from prying eyes. Additionally, it reduces harmful blue light exposure by up to 52%, helping to alleviate eye strain during prolonged use. Its sleek matte surface minimises glare and reflections, enhancing clarity and visibility for a more comfortable viewing experience. Includes 2-year limited warranty.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
