specifications, guidelines and standards – and satisfy the strictest demands.

Fast Charge

Choose turbo mode: the fast charger charges many times faster than a conventional charger - charging speed with Power Delivery up to 40 Watt, additionally supports Qualcomm® Quick Charge™

Powerful fast charger

Perfect for smartphones with high charging power: charge devices at high speed, to 60% in 30 minutes, ideal for devices of the latest generations since these often no longer come with chargers included when purchased

Extra compact

Perfect for on the go: the folding, ultra-flat quick-charging plug has a fold-away Euro plug that fits in any handbag or trouser pocket

Components made from gallium nitride (GaN)

Powerful GaN charger: super-efficient with low heat development and all in a compact and lightweight design made possible by components made from gallium nitride

System-on-Chip (SoC)

Super-compact design, full power: space-saving System-on-Chip design allows an ultra-small and lightweight charger with zero compromises in terms of power

Suitable for many devices

Maximum compatibility: Power Delivery and Qualcomm® Quick Charge™ 3.0 can be used universally, so are suitable for smartphones, tablets and power packs
