Universal use

Maximum compatibility for all mobile phones, tablets and other devices with USB-C connection

High quality Nylon sheath

Woven Nylon cable sheath: for a durable USB cable that easily winds up without tangling

Improved kink protection

Flexible and at the same time extremely resilient materials for improved kink protection against cable breakage

Aluminium plug

USB charging cable with particularly stable aluminium connectors with special strain relief to prevent bending or breaking of the connections

Fast data transmission

Data cable with a speed of up to 480 Mbit/s for high-speed data transmission

Comfortable to wear

Lightweight and comfortable: soft and lightweight mobile phone cord can be worn all day long without the mobile phone strap becoming uncomfortable

Mobile phone strap with key ring

Quick to attach and detach: mobile phone strap with key ring can be detached from the mobile phone case in no time at all using the snap fastener and can also be reattached as required
