Equip 2-Port 30W GaN Slim USB-C PD Charger

Model: 245524

Manufacturer: EQUIP

EAN: 4015867242704

Product Code: 1499479

R909

The Equip 245524 2-Port 30W GaN Slim USB-C PD Charger is a powerful yet compact charging solution tailored for modern lifestyles. Engineered with advanced GaN (Gallium Nitride) technology, it offers higher efficiency, faster charging, and less heat compared to traditional silicon-based chargers. This innovation allows for a slimmer and lighter form factor, making it exceptionally portable and convenient for use at home, in the office, or while traveling.

Equipped with dual USB-C Power Delivery (PD) outputs, the charger delivers a total of 30W, allowing you to charge two devices at once with optimal efficiency. Each USB-C port intelligently negotiates the correct power output, ensuring fast and reliable charging for smartphones, tablets, portable game consoles, wireless earbuds, and even ultrabooks or smaller laptops.
