

LogiLink PA0344 mobile device charger Universal White USB Wireless charging Fast charging Indoor

Model: PA0344

Manufacturer: LOGILINK

EAN: 4052792075090

Product Code: 1500022

R1,336

LogiLink's 3-in-1 Wireless Charger for iPhone, Apple Watch, and AirPods. This foldable charger is perfect for home, office, or travel and charges up to three devices simultaneously without tangled cables. Featuring intelligent chipset technology, it offers multiple protection functions for your devices during charging. It is Qi-compatible, delivering up to 15W for iPhones, 2.5W for Apple Watches, and 3W for AirPods. The charger is magnetic and has an LED indicator. It is compact, safe, and reliable with protection against over-temperature, overcharge, overcurrent, overvoltage, and overload.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
