Designed for comfort as well as performance, this USB-C charging cable features a premium silicone outer jacket that feels smooth and soft in your hand. The flexible construction helps reduce tangles and makes the cable easy to store in bags, desks or travel cases. Combined with durable aluminium connector housings, the cable is built to withstand everyday use while maintaining its stylish appearance and reliable functionality.

Fast USB-C Data Transfer

In addition to fast charging, this USB-C data transfer cable supports transfer speeds of up to 480Mbps, allowing you to quickly move photos, videos, documents and other files between compatible devices. The USB-C to USB-C connection offers broad compatibility with modern laptops, tablets, smartphones, docking stations, power banks and accessories. With a practical 120cm length, it provides the flexibility needed for comfortable everyday charging and syncing.
