Optimized viewing

ASUS Chromebook CM32 Detachable's 12-inch 2.5K display makes everything look sharper and smoother, with 600-nit brightness for clear viewing even in bright light, and a fast 120 Hz refresh rate for fluid visuals. With its tough Corning Gorilla Glass covering and anti-fingerprint coating, the responsive touchscreen is ready for the rigors of use, while TÜV-certified low blue-light emission helps reduce eye strain for greater comfort over long sessions. Paired with popular apps for streaming, gaming, creating, and staying organized from Google Play, ASUS Chromebook CM32 Detachable delivers an all-around entertainment experience.
