Make labeling fun with the Junior Embosser!

This embosser is so simple to use, you'll actually have fun with it. Just use the turn and click mechanism and try your hand at creating attractive embossed labels for almost anything that calls out for organization: like your child's notebooks or toy closet, or your garage workshop, CD cases, even files, binders and folders for important documents. Great for kids' projects, too. Make your words and numbers stick on 9 mm wide embossing tape that's pre-loaded for your convenience.
