

ICY BOX IB- 2207StS 8.89 cm (3.5") Storage drive tray Black

Model: IB-2207STS

Manufacturer: ICY BOX

EAN: 4250078160281

Product Code: 1501192

R1,243

Something free at the back?

Then this mobile rack can be the fitting answer. It offers place for one 2.5" HDD or SSD and it is built on an expansion slot at the back of the PC. In order to keep the rack thing we had to limit the HDD height to a maximum of 9.5 mm.

All easy

Thanks to the support of HotSwap and Plug & Play, the HDDs can be replaced without any tool or screw and can even be replaced while the PC is still operating. An LED indicator informs constantly regarding the HDD access and power.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

On the quick

The SATA connection is compatible with SATA I/II/III and can deliver transfer rates of up to 6 Gbit/s. Therefore it is more useful to install an SSD rather than a normal HDD thanks to the boost in speed.
