In terms of housing, you can choose from among the extra-compact 10″ cabinets and numerous 19″ versions, with installation depths that range from 300 to 600 mm. With heights from 6 to 20 units in black (RAL9005) or grey (RAL7035), we offer you a solution for every need. The removable side panels, the lockable tempered glass-door that can be opened more than 180° and the optional double section make cabling and component exchange particularly easy.
