The Intellinet Network Solutions wallmount cabinets offer you a flexible and comprehensive solution for your network installations. Our service starts with the shipping condition – get the completely assembled cabinet delivered or save space and money with the flatpack version._x000D_

In terms of housing, you can choose from among the extra-compact 10" cabinets and numerous 19" versions, with installation depths that range from 300 to 600 mm. With heights from 6 to 20 units in black (RAL9005) or grey (RAL7035), we offer you a solution for every need. The removable side panels, the lockable tempered glass-door that can be opened more than 180° and the optional double section make cabling and component exchange particularly easy.
