Zerkleinert Eiswürfel, quirt, hackt, rührt, püriert, passiert, mischt...

ESGE P 350 Profi Stabmixer (90880)

Model: 90880

Manufacturer: ESGE

EAN: 4011689908804

Product Code: 1503609

R4,948

The ESGE-Zauberstab® P 350 Profi is made for the catering industry! Its long-lasting, robust AC motor "Made in Switzerland" offers 300watts of power to process up to 30 liters of liquid (with a container diameter of approx. 45 cm). Thanks to the safety twin switch with 18,000 or 22,000 revolutions per minute! Its multi-blade ensures top results because it whisks, chops, stirs, purees, strains and mixes. It is also very easy to attach thanks to the plug-on centering. The spiral cable, which can be extended up to 150 centimeters, ensures freedom of movement.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
