

3M 7000088730 reusable respirator FFP2 Half facepiece respirator Air- purifying respirator

Model: 7000088730

Manufacturer: 3M

EAN: 4054596041226

Product Code: 1503648

R829

3M™ Aura™ Particulate Respirator 9322+ provides FFP2 breathing protection with a flat-fold, 3-panel design, low breathing resistance and an embossed, sculpted top panel that can help reduce eyewear fogging. It features an innovative chin tab for easy adjustments, and the headbands are colour-coded for quick and easy identification. The 3M™ Cool Flow™ Valve can help reduce heat build-up.

Get FFP2 protection against dusts and mists in a wide variety of industrial applications and other hazardous environments with 3M™ Aura™ Particulate Respirator 9322+. Our 3-panel design allows for greater facial movement, while the sculpted, low-profile style of the embossed upper panel creates an effective seal, reduces eyewear fogging and improves eyewear compatibility. It features

the 3M™ Cool Flow™ Valve that helps reduce heat build-up in hot and humid conditions, and the low-resistance filter technology helps you breathe easily. The flat-fold design makes it convenient to store when not in use, and the innovative chin tab allows you to make simple adjustments. The braided, colour-coded headbands help you identify the protection level offered: blue for FFP2 (APF 10). This respirator is individually packed in hygienic wrapping to protect against contamination, and it's designed to work well with 3M Eyewear and Hearing Protection products.
