

LogiLink SC0015 smoke detector Photoelectrical reflection detector Wired

Model: SC0015

Manufacturer: LOGILINK

EAN: 4052792065435

Product Code: 1504381

R835

Make your life safer – This smoke detector with replaceable 9 V battery has photoelectric sensor which is optimized to detect even slow smoldering fires. Alarm also features a loud 85 dB alarm, easy mounting bracket, a single test/silence button, and an end-of-life signal so you know when to replace the battery. For maximum protection and the ultimate in assurance, you can depend on Logilink's smoke detector to secure what matters most in life.
