Two ways to stand. Twice the freedom

Whether you're catching up on your favorite shows in landscape mode or tackling a productive day in portrait mode, the Book Cover ensures that your tablet adjusts to your needs. Embedded magnets make it easy to fold it into an origami-like stand in two different viewing angles.

Sturdy outside, safe inside

Take your tablet along with confidence, knowing it is wrapped in a protective cover designed to keep your device safe. The cover offers defense against minor bumps and unforeseen scratches, giving your tablet the care and protection it deserves.

Open for action, close for rest

The intuitive auto sleep and wake-up function saves you time and battery life. Your tablet awakens as soon as you open the Book Cover so you can get back to your task in no time. When you close it, it automatically turns your tablet back to sleep mode.
