8231)

Model: WAP-8231

Manufacturer: LEVELONE

EAN: 4015867235690

Product Code: 1505638

R2,706

The LevelOne new access point, the WAP-8231, can be used to create wireless networks that are not only technically perfect but also visually perfect. Since there is almost not to see with the wireless access point hardware: The wireless access point - just like a power outlet - is simply mounted on the wall. hotels and guesthouses can carefully set up WLANs for guests in each room. It can achieve a combined speed of up to 1800 Mbps. The WAP-8231 operates in the 2.4 and 5 GHz bands and can also be used as part of a managed network when controlled by the LevelOne WAC-2010 / WAC-2013 WLAN controller.

LevelOne WAP-8231 also offers PoE, removing the need for an external power supply, which makes it easy to install. A fast, versatile and secure access point for a wide variety of network requirements.
