Turn everyday moments into frame-worthy photos

Capture detailed shots with Galaxy A16's advanced cameras. Use the 50MP Main Camera to snap memories and the 13MP Front Camera to take clear selfies, highlighting key details in your photos.

Smooth riding with powerful performance

Whether you're gaming heavy or powering through work, the Octa-core processor is capable of keeping your tasks running smoothly.

Reliable protection for daily life

Now, thanks to IP54 protection, you can go about your day with peace of mind. This added durability means it can handle the little surprises of your day, so you can stay focused on what's important.

Built to last with 6x OS upgrades

Offered with up to 6 generations of OS upgrades and 6 years of security maintenance, your Galaxy A16 stays up-to-date for longer.

Power up fast, stay powered long

Enjoy what you love without worrying about battery life—the 5,000mAh battery keeps Galaxy A16 running strong on a single charge. And with Super Fast Charging, it's back in action quickly.

Built to keep your passwords safe

Samsung Knox Vault is like a safe within a safe, physically isolating PINS, passwords and other private info so hackers cant gain access.
