

TORNADO TSS-2400D | Digital Steam Generator Iron with Ceramic Soleplate & 280g Steam Boost

Model: TSS-2400D

Manufacturer: TORNADO

EAN: 6221127020489

Product Code: 1506350

R2,291

Take ironing to the next level with the Tornado TSS-2400D Digital Steam Generator Iron—designed for power, control, and effortless results.

With a 2000–2400 W heating element and 5-bar steam pressure, it delivers up to 110 g/min of continuous steam output, making it ideal for deep creases and heavy fabrics.

The durable ceramic soleplate glides smoothly over all textiles, while the fast 180-second heat-up ensures you're ready to iron in minutes.

With Mini/Mid/Max steam settings, you can tailor the steam output to any task, and the vertical steam function is perfect for refreshing hanging clothes or drapes.
