

Bosch GKF 18V- 8 Black, Blue 30000 RPM

Model: 06016C2001

Manufacturer: BOSCH

EAN: 4059952640778

Product Code: 1506366

R6,282

Product Highlights

Combining the benefits a high-end feature set, powerful brushless motor, and compatibility to a wide range of accessories that satisfy all aspects of palm routing, from light edge profiling to more demanding surface routing tasks.

Equipment & Application

This 18V palm router has the most compact height on the market to minimise top-heaviness and maximise tool control, hands-free spindle lock for hassle-free bit changes, and a fine cutting depth adjustment that places a superior routing experience in the palm of your hand.

Additional Information

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
