R915

Introducing the Conceptronic 3-in-1 USB-C Cable, your all-in-one solution for charging and data syncing. With three USB-C connectors in one streamlined design, this cable reduces clutter and enhances versatility. Powered by PD 3.0 technology, it delivers up to 100W (20V/5A) of fast-charging power. The premium braided exterior ensures long-lasting durability for everyday use. Perfect for workspaces, travel, or anywhere you need reliable multi-device charging without cable chaos.
