Are you in love with your preloved phone? Then protect it as if it were brand new with an original screen protector from SAFE. by PanzerGlass®. Then maybe one day you can pass it on to someone else that will love it just as much. It's the new circle of phone life. The longer we keep our devices alive, the more we postpone the need to produce new devices, but hey ... you already knew that. You just bought a refurbished phone.

The SAFE. by PanzerGlass® screen protector keeps your refurbished phone SAFE. from dance floor disasters, screen smashing selfies and your everyday fumbling, dropping and screen cracking. Acting as a discrete airbag, it absorbs impact and provides excellent scratch protection without compromising the functionality and look of your device. Or to put it bluntly, the level of protection is

high ... the price not so much.

Even installation is easy. Usually one attempt is enough, and should you need more, don't worry: the screen protector can be re-installed up to 200 times. And once it's applied, you'll never again fear the sight of your preloved phone tumbling to the ground. This may not happen, but if it does, you'll regret not having clicked "add to cart".

The Ultra-Wide Fit screen protector covers the entire front surface of your phone, while still leaving room for a case, and provides a complete and crystal-clear view of your screen.

It is more protection, low price and less waste. It is SAFE.
