Two ways to stand. Ready for any scene

Frame Cover has built-in magnets that hold your Tab upright in portrait or landscape mode. Use it to read, stream, or video call without holding your device. The stable stand helps keep your hands free and your view steady.

Light and portable, carry it your way

With its open-back design, Frame Cover keeps your Galaxy Tab light and easy to carry. The portable form makes it simple to use as you move through your day. It's a practical choice for those who value comfort and quick setup in everyday use.

Smart protection in action
