The comfortable carry

Keep your tech safe on the move. This convenient laptop bag features a large compartment for laptops up to 14 inches, along with multiple ways to carry – by the handle or with the removable, adjustable shoulder strap – whatever suits your commute.

Padded and practical

Make your workday as easy as can be. The Bologna's top-loader design offers quick access to your laptop and documents, the spacious padded interior with ultrasoft lining keeps your device safe, and it even has a front zippered pocket to store your phone, charger, tablet and more!

Sustainable fashion

Look cool with a conscience. With a sustainable design using fabric created from 5 recycled PET bottles, this sleek laptop bag proves you never have to choose between style and sustainability.
