Experience the perfect combination of protection, elegance, functionality, and versatility with the Lynge MagSafe 2-in-1 wallet case. Featuring a built-in MagSafe magnet and a detachable snap-on inner case, this innovative accessory offers the convenience of a fully MagSafe-compatible wallet folio case or the sleekness of an ultra-slim modern leather case. Handcrafted from upcycled full-grain leather, each Lynge case develops a beautiful patina over time, adding to its unique charm.
