

ATEN 8-Port CAT5e/6 KVM Over IP Switch

Model: KH1508Ai

Manufacturer: ATEN

EAN: 4710423777439

Product Code: 1508792

R16,457

The KH1508Ai Cat 5 High-Density KVM over IP Switch offers 8 computer port configurations in a 1U-high housing for convenient rack mounting. They allow local and remote operators to monitor and access the entire enterprise data center over the Internet using a web-based browser.

The KH1508Ai features RJ-45 connectors and Cat 5e/6 cable to link to the computers and supports multiplatform. This ensures that high quality signals can travel over long distance- up to 50m* without the need for KVM extenders. Utilizing KVM Adapter Cables for the final linkup, the KH1508Ai permits any combination of PCs, Macs, Sun computers, and serial devices to coexist on the installation.

In addition to TCP/IP connectivity, the KH1508Ai provides console ports for a locally attached USB or PS/2 console and a Laptop USB console (LUC) – allowing access and control from the data center as well as over the Net.

1x KH1508Ai Cat 5 High-Density KVM over IP Switch

1x Firmware Upgrade Cable
