From the Lines cable connectivity concept developed by Lindy, Gold Line High Speed HDMI cables are the no compromise, high performance connection solution for use in the most demanding professional environments.

These superior quality cables utilise a unique low attenuation design that ensures consistent and reliable transmission even over very long distances.

For complete signal integrity, Gold Line HDMI cables feature 24K gold plated contacts, triple shielding with 100% aluminium mylar wrap and an 85% tinned copper braid.
