Thrustmaster 4060094 game console part/accessory Set

Model: 4060094

Manufacturer: THRUSTMASTER

EAN: 3362934001650

Product Code: 1510514

R4,381

The TM Racing Clamp is a rock-solid table clamp that allows sim racers to firmly mount their TSS Handbrake and TH8A shifter, directly on a table/desk without the need for a cockpit.

The TM Racing Clamp is designed to offer a true to life racing experience by providing a solid stand for Thrustmaster add-ons, enhancing the ergonomics and immersion of their sim racing setup.

- Rock-solid table clamp

Solid structure (100% metal). A solid stand for Thrustmaster add-ons, enhancing ergonomics and immersion while driving.
