Meet your new go-to kitchen essential for gentle chopping and more: The WMF Chopping Knife is the key to herbs and salad chopped to perfection day after day. Give your cooking a professional touch with the ideal tool for maintaining the full flavor, texture and aroma of delicate ingredients like fresh herbs. Exceptional cutting results are assured with a design including extra-sharp double 18 cm blades at a curved angle—the ideal format for the gentle crushing, chopping and dicing of ingredients like herbs, vegetables, garlic, cheese, dried fruit and more. Performance is matched by design, with ergonomic easy-grip handles for fast results in total comfort and a dishwasher-safe format that's ideal for everyday use. Expertly crafted in long-lasting Cromargan®: 18/10 stainless steel—hygienic, acid-resistant and extremely hard-wearing—discover a salad chopper offering lasting sharpness that stands the test of time.
